

CNSNewsletter

HEAD'S LINES

It is over 12 years since I crossed the threshold of Chipping Norton School as the 'new Headteacher of Top School'. The intervening years have flown past and mark the longest period of time I have been in any job, testament to the quality of Chipping Norton School and its community. It has been a hugely fulfilling role and one that I will definitely miss.

So what will I miss most? Schools are essentially about people and I will miss the students and the staff tremendously. I have calculated that I have been fortunate enough to have seen some 3,000 students successfully move from Year 11 or Year 13 to the next phase of their lives. I am proud of the achievements, qualifications and skills that these students leave with and proud of the part our school has played in making them the people they are.

Having worked in six schools during my teaching career I know that the colleagues I have had the pleasure of leading at CNS are among the very best. Many of these colleagues have moved on to promoted posts or to new challenges in education, but all have left their mark in their unwavering commitment to a richness of learning

continued over

Year 11 Prom

On Saturday 23rd June, The Great Barn in Aynho was the spectacular venue for the 2018 Year 11 Prom. The Year 11 students arrived in vintage cars, sports cars, tractors and even on quad bikes. Everyone made a huge effort and looked very glamorous for the last big event as a cohort.

It was an amazing evening where students could celebrate the last 5 years together before moving on to pastures new. The Prom is always a special event in the calendar as it marks the end of an era for our Year 11s.

The Great Barn put on a fantastic spread of food and students danced the night away creating everlasting memories. Special thanks must go to the Prom Committee who organised the evening - a huge amount of work.

Mrs Tandy: Head of Year 11

Our new Head Students are ...

Head Students Oliver Tailby and Lydia Harding.

We are pleased to announce that the Head Students for the upcoming academic year are Oliver Tailby and Lydia Harding.

Both students have commented "We are both very happy to have been chosen to fulfil these roles during our final year at Chipping Norton School, and are looking forward to representing the school and continuing the growth of what we believe is a friendly, encouraging and engaging learning environment."

that is the bedrock of our school ethos.

I will also miss the endless variety that working in a busy school entails. Teaching is never dull and dealing with its daily demands is often challenging and exhausting but always inherently rewarding. Students are endlessly fascinating, sometimes funny, frequently enthusiastic, maddening and engaging. Seeing children grow into thoughtful, considerate and successful young adults is one of the things I will miss most of all.

The support of our parents is another thing I will miss. A school is far more than just its teachers and students, it is a whole community and one in which parents play a crucial role. The vast majority of our parents at CNS are hugely supportive and work alongside school in a positive way to encourage the very best from our students. This support was never more important to us than following the Ofsted inspection in 2015. To say that it was invaluable is an understatement and I would like to reiterate my gratitude for all the encouragement, good wishes and support which contributed so significantly to making CNS the school it is today.

I wouldn't have missed my time with you all for anything. I am proud to be handing over the school in excellent shape to Mr Barry Doherty who, I am sure, will take CNS to an even better and brighter future. I would like to thank all staff, governors, parents and students for the part they have played in my time here and for their support. It has been my absolute pleasure and privilege to have led such a fine school. Thank you!

**Simon Duffy:
Head Teacher**

Changes in the Canteen

In response to concerns raised by the Student Council, we are introducing a number of significant improvements to our catering provision. Most importantly we are focusing on the quality of food provided and what the food is served in. We want to improve the food on offer and we want to reduce the amount of

carry out container waste.

To do this the following changes will happen from September:

- New menus to help promote healthy eating. These will be displayed in school and on our website.
- New platters and dishes to cut down on packaging. Hot food will be served in washable containers to reduce material waste.

- Students to eat together in the Dining Hall. All hot food bought by students in 7, 8 and 9 will be eaten at tables in the Dining Hall.
- New all recyclable packaging for Years 10, 11, 12 & 13. Hot food taken out by older years will be in environmentally friendly, recyclable containers.
- New regular Theme Days and Special Promotions. These will promote healthier eating and better eating habits.

Please support the Student Council and our school in making these significant changes. We want to ensure that the break and lunchtime experience for students is as good as it can possibly be.

Mr Duffy: Head Teacher

Thrilling West End work experience!

From 29th May to the 3rd June, I was lucky enough to gain work experience on 'Thriller Live' in the Lyric Theatre on West End. The musical is a celebration of Michael Jackson's best hits. Throughout the week I worked in many different aspects of technical theatre including stage management, live sound and working with the musicians who play the songs.

Overall, my week on West End was amazing as I got to go behind the scenes on a professional production and work with the people who make the performance possible. It really reaffirmed that this is a career that I want to go into.

Harvey Sivell: I2E

German Exchange 2018

On Sunday the 1st of July a group of 35 Year 8 and Year 9 students and 3 teachers left Chipping Norton at 8.30pm and headed for Germany! The journey was roughly 20 hours of films, chatting and very little sleep. When we finally arrived in Nördlingen at 4pm the next day everyone was exhausted and we all staggered off the coach to meet our exchange families, relieved to have finally arrived.

On Tuesday we joined in with our exchange partners' first two lessons at school and then walked around Nördlingen and visited the Rieskrater Museum (which focuses on meteors and their collisions with earth) with the CNS group.

The next day was probably most people's favourite day as we visited the Allianz Arena, home of Bayern München Football Club! After a fantastic tour of the stadium and changing rooms we got a train into Munich City Centre and did some shopping and sightseeing. It was very beautiful.

On Friday we went to Legoland in Günzburg. It was fantastic but extremely wet as it rained heavily on and off for most of the day, but it certainly didn't ruin our time – we're English, we're used to it!

The weekend was spent with our exchange families and many of us went to a local festival in Bopfingen. More shopping!

After an excellent week we sadly had to pack our bags and get an early night in preparation for leaving school at 5.45am. After waving goodbye we braced ourselves for the 20 hour journey home. When we finally crossed the channel by Eurotunnel in the afternoon we were all restless and glad of a chance to stretch our legs on the train. About

half an hour later we were in England. Finally, only two or so hours left. Eventually we arrived back in Chipping Norton at 10.35pm and were greeted by family who looked more asleep than us! Our German adventure was complete.

Imogen Bissett: 8GN

50 years of German Exchange

In September we will be celebrating the 50th anniversary of our German exchange with the Theodor Heuss Gymnasium in Nördlingen. As part of our celebrations we would like to put together a display of photos and memories of the exchange over the last 50 years. If you took part in the exchange, we would be very grateful for as many photos of past exchanges

as possible together with any memories or anecdotes you would like to share. Please email these (scans or photos of printed pictures are fine) to crichmond@chipping-norton.oxon.sch.uk by Friday 14th September. Thank you.

**Miss Richmond: MFL
Department**

SPORTING NEWS

CNS victorious in West Oxon Athletics Championship

Wednesday 13th June saw the return of the West Oxfordshire Athletics competition held at Horspath Athletics Stadium in Oxford. Each school was well represented by students from Year 7 all the way through to Year 10. Students competed over a number of disciplines including jumps, throws and both short and middle distance runs. It became clear that CNS students were performing well, securing a number of 1st places and picking up valuable points in 2nd and 3rd places along the way.

Going into the relays in the lead, the CNS students were able to perform consistently well through some excellent changeovers to finish the competition as winners, becoming the first school to win the trophy for the 5th time since its inception in 2007. Along the way a number of records were broken by CNS students - no mean feat in the 12 years since the competition started. A fantastic achievement by all the CNS competitors. Well Done!

Oxford School Games

After some outstanding recent performances in their district competitions our Year 9 and Year 10 Rounders teams represented West Oxon at the County Tournament in Oxford on Tuesday 3rd July. In what was a high standard of rounders, although both teams finished outside the medal positions, they did themselves proud.

On Friday 6th July our Year 7 and Year 8/9 Athletes represented West Oxon at the County event at Tilsley Park in

Abingdon. This involved students each running, jumping and throwing across a range of events that concluded with a 4 x 100m relay and the medley relay. Whilst there were many good performances when the students were taking part it was difficult to know where they might finish. After calling out the results both year groups finished just outside the medal positions but had a fantastic day.

Cricket Update

Year 7 have had a terrific season and after winning 3 out of 4 of their league games are now hoping to get through to the semi finals.

Year 8 finished their league campaign with a great win over Burford School meaning that they won their league and play

Marlborough in the semi-final soon.

Year 9 had a strong league campaign with a series of narrow losses following an outstanding opening day win against Sibford.

Mr Thomas: Head of PE

SPORTING NEWS

The best Sports Day ever!

This year's Sports Day was held on Friday 13th July in hot and humid conditions not normally associated with the summer's showpiece sporting event. In a break with tradition all track and field events were held on the same day which made for an exciting buzz at the school during morning registration. Students jumped and threw magnificently in the morning - so much so that no fewer than 37 records were broken before lunchtime!

In the afternoon, in front of the whole school, the action continued while students watched from the middle of the track, lucky enough to be able

to eat ice cream while cheering on their house. Going into the final event, the 4 x 100m relays, the scores were close and the trophy was still all to play for. Final scores were frantically calculated and after all races were completed the final points separating 4th to 1st place was only 40 points.

Congratulations to the winning house of Stour; captains Will Huddleston and Matilda Donaghy were delighted to come up to receive the trophy from Mrs Fisher. Well done to all those students who represented their house.

Mr Thomas: Head of PE

Year 9 Rounders Success

The Year 9 Rounders team have had an amazing season this summer winning all of their games within the West Oxfordshire School Sports Partnership. They went along to the Year 9 WOSSIP Rounders Tournament on Thursday 21st June at Marlborough school and narrowly missed out on finishing 1st by 1 rounder.

However, they did qualify for the Oxfordshire School Games which was held on Tuesday 3rd July at Harcourt Hill Campus, Oxford. Despite Sophie Rowe (Captain) and her team performing really well at the games they were not placed this time.

Mrs Tandy: Head of Year 11

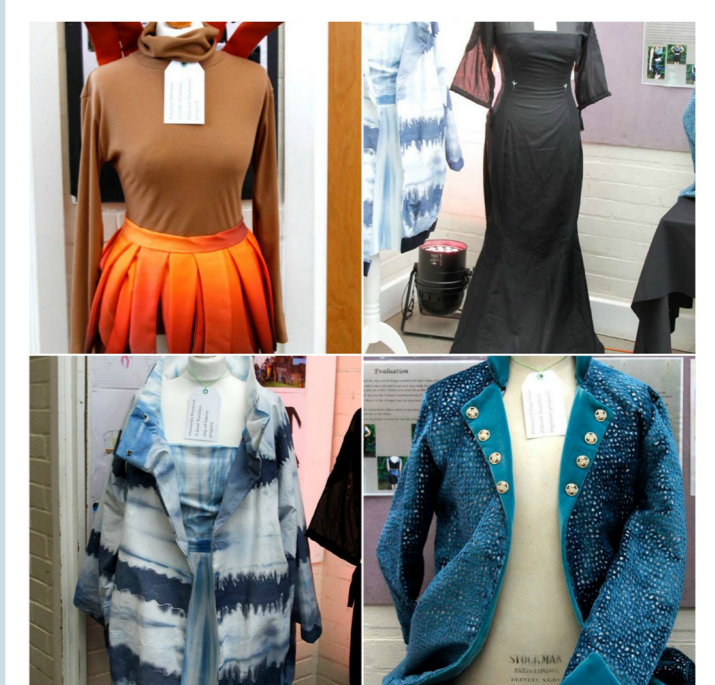

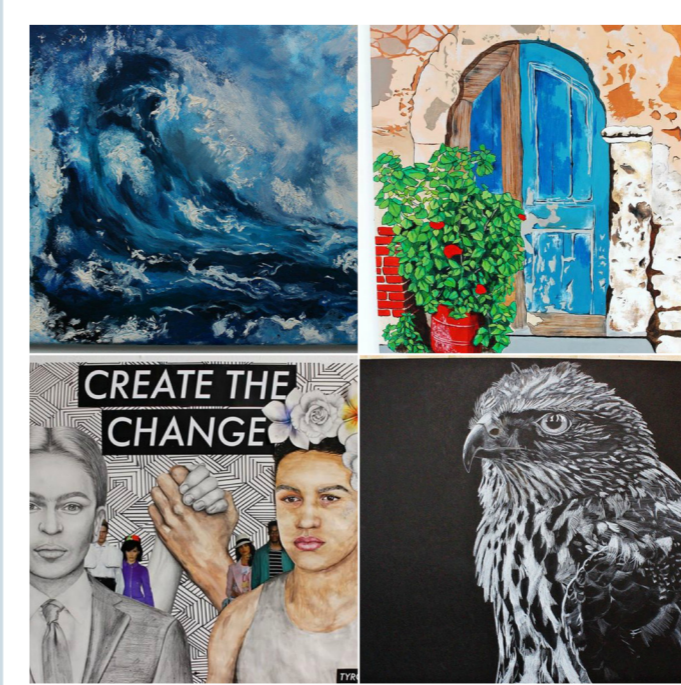

Art and Design & Technology Exhibition 2018

The annual Art/Technology private view exhibition was held on Thursday 21st June. It was a wonderful event where students' hard work and talent could be appreciated and celebrated. We are very proud of all the students who have worked so hard over the last two years and, as always, astounded by the wonderful talent we have at Chipping Norton School.

A special thanks to the Art and Technology teachers who have guided our students through the courses and allowed the students to flourish and excel in their chosen areas.

We wish our students all the best as they embark on the next stage of their education and careers and congratulate them on their achievements.

Mrs Corley: Head of Art

Year 4, 5 & 6 Athletics Festival

Pupils from Years 4, 5 and 6 from our partnership primary schools came to CNS to take part in the annual Athletics Festival. This festival was led by Year 7 students who had been trained by their teachers to run the festival. Everyone had a role; either starting or finishing the races or marking the standing long jumps and howler throws. Mrs Fisher also asked the Year 7s to demonstrate some of their athletic skills, and they were thrilled to do so, with lots of encouragement and support from the younger children.

The afternoon itself was warm with a breeze, perfect weather for the children to compete in the sprint, middle distance, standing long jump and

throwing the howler. The standard was very high and the support for each other was fantastic.

The festival winners were as follows:

Big School Winners:

Year 4: Kingham

Year 5: St Mary's

Year 6: Kingham

Overall winner: Kingham.

Small School Winners:

Year 4: Enstone

Year 5: Chadlington

Year 6: Great Rollright

Overall winner: Enstone.

Year 4/5 Creative Writing Club

We were thrilled to welcome 45 pupils from the partnership schools who had applied to take part in the Creative Writing Club. This club is run by Mr Long, Miss Tucker and Mrs Lee from the English Department and over the 5 weeks the pupils created written works and used their imagination during group discussions.

The teachers were impressed and delighted by their knowledge and enthusiasm, and the club

was a perfect way to finish the school year, not only giving pupils the chance to improve their writing skills, but make new friendships too. Some of the pupils had enjoyed it so much in Year 4 that they had come along for a second year.

Congratulations to everyone who took part. We hope you enjoyed it and will take all your imagination and new found confidence back to your classrooms.

Cornbury Music Prizes

On June 7th Mr Duffy and Hugh Phillimore from Cornbury Festival welcomed thirteen winners and their families to a presentation at Chipping Norton School. The families received Festival tickets for the weekend of 13-15 July. These are kindly donated by Hugh and Cornbury Festival, who are pleased to support musicians from Chipping Norton Partnership of Schools.

The students were nominated by their teachers for their contribution and effort in music at their own schools,

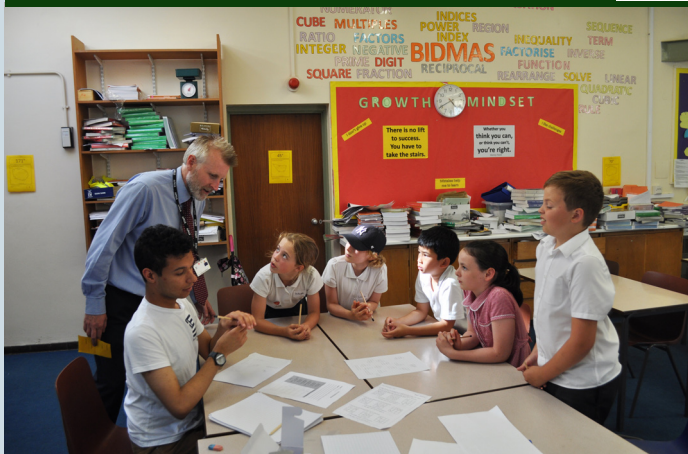

such as singing in their school choir, playing one or more musical instrument, leading and supporting other musicians in school and making consistent progress and sustained effort.

During the presentation we were delighted to be serenaded by Chipping Norton School Ensemble and Georgia Jukes led by Mr Brown, Head of Music.

Congratulations to you all. We hope you and your families enjoyed the Cornbury experience, and continue to excel with your music.

Year 4 & 5 Maths AGT Workshop

Mr Thrower, Miss Wearden and Mrs Avery were delighted to welcome 28 Year 4 and 5 students to the Maths Department to take part in our CNPS Maths Workshop on June 25th.

After a very hot day at their own school, the pupils were welcomed by the Maths staff and started the event by doing a maths puzzles. They then split into teams to take part in the four workshops especially devised for them.

Each workshop was run by a teacher, and one was run by Year 12 Maths Leaders. Each group undertook activities designed to challenge them, but at a level they could work at, although in many cases their level of understanding was outstanding.

Congratulations to you all - you were exceptional, and we were delighted to host you - and of course, a big thank you to our Maths Department and student leaders.

Year 5 Bake Off

We were very pleased to welcome the Year 5 Primary School Bake Off winners to Chipping Norton School to take part in the inter-school Bake Off. This year the pupils all used the same recipe for the bake. Everyone was also asked to pre-plan their design for their cake decoration using a design sheet.

Year 7 students supported the younger pupils. It was an intensive hour and a half and at the end of it everyone

presented the judges with 4 baked cupcakes and 4 beautifully decorated cupcakes. Well done to you all. We were impressed with your skills and the amount of planning and thought you had put into your final cakes.

Mr Duffy, Mr Crudge, Mrs Brown and our Year 7 helpers found the judging very difficult, but finally made their decisions based on design and taste for the decorated cupcakes and taste, size, colour and consistency for the bake.

U11 Cricket Tournament

The primary cricket teams arrived at Chipping Norton School to take part in the annual cricket tournament. Every team had been training for the tournament at their primary schools.

The teams all played well with some skilful fielding and batting. The event was led by Year 10 sports leaders, who umpired, scored and encouraged the younger children to

do their best. It was lovely to see teachers and parents come along to support their schools.

The winners were:
Big Schools: Kingham
Small Schools:
Chadlington

As always congratulations to everyone who took part; you played well and showed great sportsmanship.

Big School Winner:
Middle Barton
Small school Winner:
Chadlington

Congratulations to everyone who took part. You should all be very proud of yourselves, and thank you to all the staff at your own primary schools for their support and the staff and students here at Chipping Norton School.

Mrs Fisher: Community Learning Lead

'A Day in the Life of Me" winner

I'm Issy Hart and I made a PowerPoint presentation about my life, about my disability and how I cope with it. The PowerPoint was entered for a competition called "The Day in the Life of Me", where loads of kids with disabilities aged 10-13 years took part. A few weeks later I found out that I had won the competition!

I received a tablet and a £100 book voucher for the school. I helped Ms Bovington, the school

librarian, choose a selection of books for the library. Many of these books are about young people living with physical disabilities or mental health issues.

A film crew came to school to film my normal day at school. I presented my PowerPoint in front of all the Year 9s in assembly whilst the crew were filming. A clip of the film will be available to view on the pdnet website soon.

Issy Hart: 9SW

Deddington Festival winner

The Deddington Festival invited children and young people in the local area to submit a short story or poem to their annual writing competition based on the theme 'DISGUISE'.

The following students were included on the KS4 shortlist:

Georgia Collins
Matilda Donaghy
Thomas Joyner

Martha Miller
Isabelle Pearce
Tristan Peissel
Lewis Pendery
Gabriele Salamachinaite
Lauren Selby

Tristan's piece of work 'Shards of Light' was judged to be the winner and all the student's stories were published in a special festival book.

'Shards of Light' by Tristan Peissel (Year 10)

As the rain hammered down in thick, grey sheets I thundered down the pavement, my heart thumping loudly in my ears. I cast a tentative look back, and to my horror saw two Reapers hot on my tail.

All because I look different. In a world of muted greys and blacks, of obedience and subservice my gift forces me, day and night to wear this ugly exterior; this ugly disguise.

I ran faster.

Weaving in and out of the crowd —pushing against the strong tide of people, my hat brim low over my painted mask, my coat, as black as the souls of the things chasing me, flying behind me.

I pushed harder, my breath coming in short bursts.

People are staring at me now. Reeling at the sight of my mask as if I were a leper, then reaching out to slow me in my progress, all misconceptions forgotten, when they notice the pair of Reapers, who are still gaining on me. At first I bat them away lightly. Then someone goes for my mask and I don't think — just act. The resulting shove catapults him into a bank on the opposite side of the street, three floors up. The sirens start to wail — the banshee chorus ripping through my brain.

I turned right, then left, then right again, tearing through the puddles that littered the ground like strange portals to an alternate dimension. Will nothing shake these guys? Panicked, I make a stupid decision and charge off into a back alley. Suddenly faced with a cold, hard and unforgiving brick wall, my stomach drops to my boots and I feel bile start to rise in my throat. I spin on the spot and face my pursuers; two military grade Reapers, slowly advancing. Sweat trickled down the inside of my mask and makes its way down the nape of my neck. They were forcing my hand at this moment making me make the move I never wanted to have to make. It would be risky but if I valued my continued existence it was my only hope.

Reaching up, I grabbed my mask with both trembling, gloved hands and ripped it off my face, letting it fall to the ground with a clap like thunder. The Reapers stopped in their tracks. Shards of light erupted from my radiant face tearing through the paper of the Reapers bodies and causing them to explode into millions of black flakes, showering down on me like funeral confetti.

Creative writing with Philip S. Davies

On June 13th author Philip S. Davies visited school to run two creative writing workshops for selected students from Year 7-9.

He gave students tips on how to plan a story. His top tip was to "write what you know about" and to base your story in

a time and place that you understand. We all had a go at writing a short introduction and then improving upon it.

Philip explained how he came to publish his two books 'Destiny's Rebel' and 'Destiny's Revenge' and about the last book in the trilogy 'Destiny's Ruin' which is published this autumn.

We are very grateful to Philip for giving up his time.

**Chloe-Marie Warren:
9EG**

Looking to the future: Year 10 work experience

This year 163 Year 10 students went on work experience from the 2–6th July. 87% of students found places in Oxfordshire businesses with a lot going to small local businesses that are fantastic and support the school year on year with this great opportunity for students. Some generous employers took more than one student. Renault FI team in Enstone were very supportive and took 5 students, rotating them around different departments.

This year we had students placed as far a field as Christchurch, London, Berkshire, Surrey and Germany.

Chipping Norton School would like to thank all those employers who kindly took students for us. It gives our students an invaluable insight into the world of work and we really appreciate their help.

What the students said:

Beth Blackwell (10WS) who went to Oxford Gene Technology said “From the experience I developed a strong understanding of the area of work and the aspects of what thorough medical research involves. I recommend this experience for anyone interested in this field of work. Overall it was a fun, informative and intriguing experience”.

Jonathan Huband (10SW) who went to Rally Preparation Services in Witney said “I learned a lot of useful things from my placement such as how to get along well with your colleagues and most importantly how to get along with your employer. I would definitely recommend it for a placement. I had buckets of fun!”

Owen Adams (10EG) who went to Chipping Norton Garden Company said “Loved the experience with Andy he was always welcoming me into the team and asking for my input”.

What the employers said:

Gemma Bridges, Chipping Norton Vets about Charlie Hill (10GN) “I just wanted to say what an absolute pleasure it was having Charlie doing work experience with us last week. He is such a bright, confident and extremely enthusiastic young man and I can honestly say he was miles better than most of the adult student vets we have doing work experience. He is a credit to your school and we would have him back anytime.”

Joyce Rice, Chipping Norton Baptist Church about Hermione Taylor (10EN)

“It was a pleasure to participate in this programme and Hermione was a joy to work with. She was motivated, enthusiastic and polite. This is also a credit to everyone at the school she represents. Should you need a placement for a student in the future, please do not hesitate to contact me.”

Mr Parker: Careers Lead

English Department supports Books 2 Africa

The English department recently donated 17 boxes of old, unused books to Books 2 Africa. The charity, located in Canterbury, has shipped over 725,000 books to over 20 African

countries. It's a fact that 90% of children cannot read or write after finishing school in Africa because they don't have books to read. Additionally, over 13 million books are dumped into landfills every year in the UK. The Chipping Norton English department are happy to do their part.

Many thanks to our prefect, Charlie Hill, for packaging the books to be sent.

Mrs Lee: Curriculum LSA (English)

Polly awarded English Bursary

My name is Polly Abbotts, an A Level student studying Psychology, Product Design and English Language and Literature at Chipping Norton School. I have recently been awarded the English-Speaking Union's 'school leaver's award' to study English at the University of Liverpool in September 2018. This £300

bursary will be greatly beneficial in allowing me to more comfortably afford materials for my subject, for example textbooks or anthologies.

At university, I am looking forward to studying modules that I would not normally consider or have current interests in, but am also interested in pursuing my already-existing interests in areas such as dystopian fiction and Oscar Wilde, whom many English courses offer multiple modules on.

I am incredibly grateful to Chipping Norton School for choosing to nominate me for this bursary, and would also like to thank the English Department, who inspired me to continue to study English after my A Levels.

Polly Abbotts: I3G

Carnegie Day

This year Reading Club members took part in the Carnegie Day with Wood Green School, Burford and Carterton Community College and Henry Box School. We started the day off with an icebreaker quiz for each of our chosen shortlisted books. This was followed with the main bulk of the day – the presentations. Each group gave a presentation on their chosen book competing for a maximum of 100 points.

Each group had a different style – some made us laugh, others made us gasp with horror. All were superb and deserved to win but in the end there could only be one winner, the team representing 'Wed Wabbit' by Lissa Evans. Before the results were tallied up we were treated to a fantastic spread of food and a front seat to the live streaming of the Carnegie Awards in London. This year's winning book 'Where the World Ends' by Geraldine McCaughrean was a bit of a surprise to us all. The students at our Carnegie Awards chose 'After the Fire' by Will Hill and 'The Hate U Give' by Angie Thomas as their joint winning titles.

All in all it was a great day with new friends made and lots of happy students at the end. Thank you to Henry Box School for hosting this year's event. I can't wait until next year!

Tristan Peissel: I0SW

What's on at CNS

TERM 1	
Week 1	A September
Mon 3	Staff training (no students in school) Sixth form enrolment (10:30-12:30)
Tues 4	Y7 students in school
Wed 5	School for all students
Thurs 6	Y12 KS5 Explained (19:00)
