

## 16-19 BURSARY FUND GUIDANCE NOTES

### 2021-2022

The aim of the 16–19 Bursary Fund is to help support those young people who face the greatest barriers to continuing in education or training Post-16.

*Specifically, the 16–19 Bursary Fund comprises of 2 elements:*

1. There is an entitlement to a £1200 bursary for young people in care, care leavers, young people in receipt of Income Support and disabled young people in receipt of Employment Support Allowance who are also in receipt of Disability Living Allowance.
2. A discretionary fund to make awards to young people in ways that best fit the needs and circumstances of their students.

These awards are intended for young people facing financial barriers to participation in education or training Post-16.

The school has been allocated a certain level of funding to cover both elements of the bursary. This will be given as benefits in kind, such as the costs of transport, trips, meals, books and equipment. Further information concerning this will be given once we receive your application.
