Chipping Norton School is looking for the right person to take on the role of:

IT Technician

Permanent

Full time - 37 hours per week

Grade 6 Scale point 8-13 Salary £20,493-£22,627

We are looking for a suitably qualified ICT Technician who will be able to support our staff and students learning by providing Technical ICT support across the school. The successful candidate will be well organised, enthusiastic and adaptable in this busy role which helps to manage ICT systems, infrastructure and equipment. The role includes regulated activity relevant to children.

The position will be based at Chipping Norton School and will also contribute to RLT IT Support across the Trust, providing an excellent opportunity to be part of a wider Trust team.

Applications are welcomed from experienced technicians and those new to the role, who have completed relevant training and qualifications.

If you are interested, please complete a Chipping Norton application form, available on the school website or from Morag Robinson at office@chippingnortonschool.org and include a letter outlining your reasons for applying and your suitability for the role.

The closing date for receipt of applications is 28 January 2022.

Chipping Norton School and the River Learning Trust is committed to safeguarding and promoting the welfare of all children and preventing extremism; all staff must ensure that the highest priority is given to following the guidance and regulations to safeguard children and young people. The successful candidate will be required to undergo an Enhanced Disclosure from the Disclosure and Barring Service (DBS) and obtain any other statutorily required clearance. Employment will also be conditional on the receipt of at least two acceptable references (one from current/latest employer) and evidence of the formal qualifications required for the role. It is an offence to apply for certain within schools if you are barred from engaging in regulated activity relevant to children. You should contact the school if you are unsure if this role includes regulated activity relevant to children. Chipping Norton School is an equal opportunities employer
