PRESS RELEASE:

Summer 2023 GCSE and BTEC Results

Headline figures:

- 86% of our students secured a Grade 4 or above in both English and Maths, with close to half securing Grades 7 to 9 in each subject.
- 82% of students leave with five or more GCSEs including English and maths.
- Average grades continued to rise for a fifth consecutive year, with close to one third of all results being grades 7 to 9.
- English and maths pass rates exceeded 90% and the proportion of students with *two or more* single science passes reached 82%.
- Whilst provisional, the school's progress score is also the exceptional and applies equally to our boys, girls and disadvantaged students.

Barry Doherty, Headteacher of Chipping Norton School said, "We could not feel greater satisfaction for our fabulous students, happiness for our incredibly supportive parents and carers, or pride in our body of dedicated and highly skilled teaching and non-teaching staff. We are all parts of something very special here in Chipping Norton and we shall continue to work as a team in support of one another."

Mr Doherty added, "Now that we have watched the anxious and then excited faces of our students as they opened their results, we look forward to welcoming them back to our outstanding sixth form in a few weeks' time - or wishing them every success and happiness if their journey takes them elsewhere."
