## Part A: Pupil premium strategy plan

### Statement of intent

At the heart of our pupil premium strategy lies our “pupil premium promise” – that all students will experience quality first teaching, will have access to bespoke pastoral support where every child is known, understood, and cared for, and be provided with rich opportunity. Our primary goal for our disadvantaged students is to prepare them “to be the best they can be” by providing them with a knowledge rich curriculum which fuels their curiosity and affirms a compassionate, inclusive, and hopeful outlook on humanity and the future.

## Challenges

This details the key challenges that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	<b>SIDP1 -Achieving:</b> To reduce the attainment and progress gap between DA and non-DA students
2	<b>SIDP1-Achieving:</b> To increase enjoyment and engagement of the curriculum for DA students
3	<b>SIDP2- Belonging:</b> To improve attendance and punctuality of DA students
4	<b>SIDP2 -Belonging:</b> To improve the sense of belonging through consistency of experience of DA students in the classroom and within the wider school community
5	<b>SIDP3 -Reading:</b> To improve literacy skills of disadvantaged students

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<b>SIDP1-Achieving:</b> More students achieve a standard pass in core GCSE exams	Reduction in the gap between DA and Non-DA students achieving grade 4+ in English, maths and two or more sciences
<b>SIDP1-Achieving:</b> Increased access to the curriculum for DA students	Quality first teaching and learning strategies (TEMP) are adapted by all staff to meet the specific needs of DA students.
<b>SIDP2-Belonging:</b> Improve attendance of DA students	Increase in % attendance of DA students in line with national average (95%). Reduction in % PA figure of DA students.
<b>SIDP2-Belonging:</b> Improve engagement in wider school enrichment activities	Increase in attendance and engagement of DA students in extra-curricular activities and enrichment opportunities
<b>SIDP3-Reading:</b> Improve literacy skills	Increase in reading ages of DA students.

**Activity in this academic year** - This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

## Part B: Review of outcomes in the previous academic year

This details the impact that our pupil premium activity had on pupils in 2022 to 2023.

<b><i>Intended Outcome 1: SIDP1-Achieving: More students achieve a standard pass in core GCSE exams.</i></b>				
<b><i>Performance Measure</i></b>	<b>2018</b>	<b>2019</b>	<b>2022</b>	<b>2023</b>
<b><i>All Progress 8</i></b>	+0.07	-0.09	+0.25	+0.71
<b><i>DA Progress 8</i></b>	-0.98	-0.58	-0.15	+0.13
<b><i>All Attainment 8</i></b>	48.5	48.4	55.6	55.9
<b><i>DA Attainment 8</i></b>	26.9	35.6	44.9	38
<b><i>All % Grades 4 to 9 English</i></b>	74%	83%	92%	95%
<b><i>DA % Grades 4 to 9 English</i></b>	38%	53%	79%	70%
<b><i>All % Grades 4 to 9 in Mathematics</i></b>	73%	82%	87%	88%
<b><i>DA % Grades 4 to 9 in Mathematics</i></b>	29%	53%	76%	70%
<b><i>All % Grades 4 to 9 in English and Mathematics</i></b>	69%	77%	82%	86%
<b><i>DA % Grades 4 to 9 in English and Mathematics</i></b>	24%	53%	76%	65%

**Impact and reflection:** GCSE outcomes in 2023 were incredibly strong in terms of the progress students have made across their respective subjects. Our overall progress 8 value of +0.71 tells us that the progress made by all students is almost  $\frac{3}{4}$  of a grade better than all students nationally. The progress made by DA students shows an improvement of +0.71 when compared to the 2019 cohort (even more marked when compared to the 2018 value +1.11). This means that DA students were making significantly more progress in 2023 than in previous years. They achieved on average  $\frac{3}{4}$  of grade better in every subject when compared to 2019. This indicates that DA students at CNS have improved life chances and a brighter and more hopeful future ahead.

**Intended Outcome 2: SIDP1-Achieving: Increased access to the curriculum for DA students**

**Impact and Reflection:** Lesson observations and drop-ins recorded that high quality T&L (TEMP) was evident in a number of departments with a key focus on SENDA students. CPDL has focused on producing and refining high quality teaching and learning activities such high value tasks which will be of benefit to DA students.

**Intended Outcome 3: SIDP2-Belonging -Improve attendance and punctuality of disadvantaged students.**

**Impact and Reflection:** At CNS, overall attendance in the academic year 2022-2023 remained above national average but continued to fall short of pre-pandemic levels (+95%) in a number of year groups.

**Intended Outcome 4: SIDP2-Belonging -Improve engagement in wider school enrichment activities**

**Impact and Reflection:** DA students experienced quality first teaching and learning in all lessons. Priority first checks for DA and SENDA students. Attendance in wider school enrichment activities remained variable.

**Intended Outcome 5: SIDP3-Reading: Improve literacy skills of disadvantaged students**

**Impact and Reflection:** Literacy catch-up and acceleration programmes: Year 7 DA students made good progress on the Read Write Inc. 'Fresh Start', Inference Programmes. Accelerator reading programme: 72% (63/88) of KS3 students eligible for PP regularly engaged with the programme and made progress.
