

Design and Technology
Key Stage 3
Marking Grid (Practical work)

Marking band	Description
<p>Making and finishing skills are at a <u>High Level</u>.</p> <p>Excellent (A)</p>	<ul style="list-style-type: none"> • The correct tools, materials and equipment have been consistently used or operated safely with a very high level of skill. • Product shows a very high level of making/finishing skills that are fully consistent and appropriate to the desired outcome. • A high level of quality control is evident to ensure the product is accurate by consistently applying very close tolerances.

Marking band	Description
<p>Making and finishing skills are at a <u>Good Level</u>.</p> <p>Approaching Excellent (P)</p>	<ul style="list-style-type: none"> • The correct tools, materials and equipment have been used or operated safely with a high level of skill. • Product shows a high level of making/finishing skills that are largely consistent and appropriate to the desired outcome. • Detailed quality control is evident to ensure the prototype is mostly accurate through partial application of tolerances.

Marking band	Description
<p>Making and finishing skills are at a <u>Satisfactory Level</u>.</p> <p>Secure (S)</p>	<ul style="list-style-type: none"> • The correct tools, materials and equipment have been used or operated safely with an adequate level of skill. • Product shows an adequate level of making/finishing skills that are mostly appropriate to the desired outcome. • Some quality control is evident through measurement and testing.

Marking band	Description
<p>Making and finishing skills are at a <u>Basic Level</u>.</p> <p>Approaching Secure (A)</p>	<ul style="list-style-type: none"> • Tools, materials and equipment have been used or operated safely at a basic level. • Product shows a basic level of making/finishing skills which may not be appropriate for the desired outcome. • Basic quality control is evident through measurement only
