

CHIPPING NORTON
SCHOOL

CONSENT FORM FOR
TAKING AND USING OF PHOTOGRAPHS

Name of Student:

At Chipping Norton School, we sometimes take photographs of students. We use these photographs in the school's prospectus, school's website, display boards around school and on other social media platforms.

We would like your consent to take photographs of your child, and use them in the ways described above. If you are not happy for us to do this, that is not a problem – we will accommodate your preferences. To be clear, we never print a child's name next to a photograph to enable identification.

With this in mind, please tick the relevant boxes below and return this form to your child's pastoral lead.

If you change your mind at any time, or have any questions, you can contact us by emailing office@chippingnortonschool.org or calling the school reception on 01608 544998.

Why are we asking for your consent?

In order to ensure we comply with Data Protection requirements, we must see your consent to take and use photographs of your child. We will never identify the name of a child portrayed in an image.

Images might be used on our website or in marketing material (school prospectus or social media information).

Your consent will enable us to showcase what life is like at our school, and so we would appreciate your support in agreeing to this consent.
